September 2004 Newsletter

Hope this finds everyone doing well.

There's a meeting on Saturday September 18, 2004.

We are in the last month of having the museum open for the season. Peggy will give those of you that have items on loan to pick them up at the end of October. Things went well with lots of visitors during the summer. The grass is still green and flowers blooming.

Sorry, I don't have a history story for this month. You can submit one any time.

Keep in mind that the election of officers and board members is coming up in November.

The next meeting will be Saturday September 18, 2004 at 10:00 AM at the Museum. Bring your chair. See you there.

Barbara Niedermeyer
AVHS Sect/Tres.
